

SCHOOL INVITATION

Prof Nalini Moodley, Executive Dean of the Tshwane University of Technology's Faculty of Arts and Design, cordially invites learners interested in undertaking studies in the Creative Industries to visit the TUT Arts Festival.

The Faculty is all set for its 8th TUT Arts Festival on the Arts Campus from 10 – 12 September 2026.

This year's Festival will be presented in partnership with the City of Tshwane and Tshwane FM. Building on the theme of ARTIVISM, the Festival will focus on COLLABORATION.

The Festival is part of the Faculty's dynamic, cutting-edge teaching and learning curricula. It creates an ideal platform for students to put their knowledge into practice through this experiential learning opportunity, shaping future-ready graduates.

By pooling resources and engaging with industry stakeholders, the Faculty celebrates and showcases the remarkable talent of its students, staff, alumni and community. Visitors will gain an insight into how the Faculty makes knowledge work and the difference that community engagement can make.

The Festival will encompass all facets of the arts, from the design and fine art disciplines to all the performing arts. Exhibitions, demonstrations, performances, master classes and open classes will form part of the exciting line-up.

This is the ideal opportunity for prospective students interested in the creative industries to come and experience what is on offer and get first-hand information to assist them with their future career choices.

The Festival will be hosted on the Arts Campus, 24 Du Toit Street (corner Du Toit and Struben Streets) from Thursday, 10 September to Friday, 11 September, between 9:00 and 16:00 daily and Saturday, 12 September, between 9:00 – 14:00.
